

### Year 13 →

Paper 1—Hazards Paper 2—Changing Places NEA	Paper 1—Hazards Paper 2—Changing Places NEA	Paper 1—Hazards Paper 2—GSGG NEA	Paper 1 Revision Paper 2—GSGG	Paper 1 Revision Paper 2 Revision	Final exams
---	---	--	----------------------------------	--------------------------------------	-------------

### ← Year 12

Revision NEA	Paper 1 Revision Paper 2 Revision	Paper 1 Coastal Landscapes Paper 2—Pop & Environment	Paper 1—Coastal Landscapes Paper 2—Pop & Environment	Paper 1—Water and Carbon Cycles Paper 2—Pop & Environment	Paper 1—Water and Carbon Cycles Paper 2—Pop & Environment
-----------------	--------------------------------------	---	---	--	--

### Year 11 →

Paper 1—Challenge of Hazards; Earthquake focus	Paper 1—Challenge of Hazards; Weather and CC Fieldwork—Human	Paper 2—Resource Management	Targeted revision and Paper 3—Fieldwork	Paper 3—Pre-Release Booklet Revision	Final exams
---	---	-----------------------------	---	--------------------------------------	-------------

### ← Year 10

Paper 2—Changing Economic World—UK	Paper 2—Changing Economic World—Nigeria	Paper 2—Urban challenges	Paper 1—Coastal Landscapes	Paper 1—River Landscapes	Paper 1—Ecosystems, TRF & Cold Environments Fieldwork—Physical
------------------------------------	---	--------------------------	----------------------------	--------------------------	---

### Year 9 →

Why do people move around?	What is the challenge of natural hazards?	What is an economy?	What does climate change have to do with me?	What are geographical investigations?	Issues Evaluation
----------------------------	---	---------------------	--	---------------------------------------	-------------------

### ← Year 8

What is the UK coastal landscape like? Fieldwork—Coastal	What opportunities and challenges is Japan facing?	Why is the Middle East an important region?	What makes hot deserts unique?	What and where is Africa?	What and where are the world's biomes?
---	--	---	--------------------------------	---------------------------	--

### Year 7 →

Why do we need geography?	What Makes the UK so special?	What is geological time?	Why do the Oceans matter?	Is development everywhere?	What is dark tourism?
---------------------------	-------------------------------	--------------------------	---------------------------	----------------------------	-----------------------

**Transition project**  
Young Geographer of the Year  
Competition KS2/3
